Old and new school genetics at it's best. Clearly one to watch coming out of two time Ultimate Bull Rowdy HR and a great dam, Foxy Tulla. Both his sire and dam are great producers so only the sky's the limit with this young bull. He should reach 90+ TTT before he is six so we have a lot to work with here.

TTT: 88.5000 on 02/05/2024
Weight: 844.0000 on 06/08/2021
